

SECRET

01 JUL 1983

07 JUL 1983

will be in Boston from 25X1
Saturday to Monday and on the 25X1
road returning back on Tuesday.
If you have any questions, she
can be reached at 25X1

FYI:

Wednesday, 29 June 1983

--

--

--

On 13 July, the DCI will participate in a [redacted]
"independent advisory panel meeting." Participants include [redacted]
[redacted] (the latter to
discuss NIE 11-3/8). Will advise if I find out anything further on
this one.

--

--

--

--

See Tab 1 for the [redacted] in cuts proposed for the SSCI.

--

Biden's designee, Tom Connolly, asked [redacted] what CIA's role in the
NBIS Centers would be. [redacted] explained that we would serve in an advisory
role, offering training, etc., being careful to steer clear of any law
enforcement activities, etc.

--

SECRET

SECRET

-- Reviewed, touched up and passed on transcript of your FOIA hearing --
sounded like a piece of cake!

-- [REDACTED]

25X1

-- FYI: Our new WANG word processor will be installed on Tuesday,
5 July. [REDACTED] will have terminals at their desks with
the printer being located in [REDACTED] outer office. Both will
be scheduled, at different times, for a two-day training course in
[REDACTED]

25X1

25X1

25X1

Thursday, 30 June 1983

-- Believe you have been kept up to date by cable on the Central America
"legislative strategy" sessions and advised of SIG scheduled for Tuesday,
2:00 p.m., principal plus one, to be chaired by Dam. We will either have
papers attached or have the Operations Center send them to you, depending
on their availability.

-- Note Tab 3: You asked Glerum to cut back on the field recruiters. He
has advised that two have been eliminated and one more will be cut in
January. You told him this was not enough. He thinks he is done. Is
he? Do you want to charge [REDACTED] to see that more is done? Do you want
to zing Glerum?

25X1

-- Goldwater and Moynihan also okayed the reprogramming for [REDACTED]
They asked to be notified before the funds revert to "Program 2."

25X1

-- [REDACTED]

25X1

-- [REDACTED] will brief the SIG-DP on 8 July; background papers will
be coming.

25X1

-- FYI: Kerr noted that the DDI plans to send their NMCC representative
and [REDACTED] down to CENTCOM periodically to touch base. Dick
will have lunch with General Gordon when he is here next week.

25X1

-- The DCI apparently recommended that the President deliver a 4th of July
address over Soviet television (SIC). [REDACTED] responded that there was
not enough time, but that he would like to explore possibilities of
influencing Soviet public opinion in the future.

25X1

- Cherne has asked to be briefed on the paper we provided him on the use of intelligence for public diplomacy during the next PFIAB meeting.
- See Tab 4 for the DCI's letter to the President regarding ginning up support for Central America policies.
- "Ask me about speech support."

Friday, 1 July 1983

- The ICS will come back to you -- probably at Tuesday's meeting -- if you can believe it, on the Chairman of the CI Commission issue (Bross rather than [] and on the Committee being under the CI Staff. [] explained what we have already heard before and I explained what I understood to be your views AGAIN! I did send out a revised memo.

25X1
25X1

--

--

--

25X1

- SAC budget hearing is tentatively scheduled for 28 July.

ODDS & ENDS

5.
-- The Agency will nominate two people to attend the Navy War College.

--
--
--
--
--

-- The HPSCI Report on the 84 NFIP noted that ISA should refrain from any operational activities until the Committee reviews the ISA Charter.

--
--
--

-- [] will be interviewed by CT Staff on 23 June.

--
--
--

-- Congressman Zablocki wrote the Director assuring him that he did not say that CIA lies.

-- The [] briefers will show Vice President Bush a draft cable tomorrow (Saturday) containing an answer for []. If it is okay with him, they will send it out immediately.

--
--
--

- Stein is ready to brief you and the Director on [redacted] so that you can assess the benefits versus the risks. Maybe you could do this during one of your weekly meetings. Let me know when you want to set it up. 25X1
25X1
- To close the loop, General Stilwell will send a copy of his memo regarding coordinating "Special Activities" to the NSC. 2
- Sporkin has provided the Director background material on requirements for reporting special activities to Congress -- probably related to next week's possible activities. ✓
- [redacted] 25X1
25X1
sent
later
- Received assurances from [redacted] that OSO is keeping [redacted] aware of everything he should be. 25X1
- The Director has tapped DDI, Security and External Affairs for information on access to SCI, distribution of publications, FBI action on leaks and any results, press policy, etc., all probably in preparation for his upcoming talks on leaks. ✓
- General Marks assured you, in response to your memo (drafted by Lehman's group) to move out on CW/BW, that they are doing it. ✓
- [redacted] 25X1
one
- Included [redacted] comments and new information on restricted resources targeting for narcotics in your folder for Monday's meeting. 25X1
- Noticed that [redacted] is seeing the Director on Monday at 3:00. In case this is about his personal plans, you might want to let him know that you would like to chat with him, too. 25X1
- Do you want [redacted] to attend SIA(I) on CI org/plan for you or is that necessary? Have book if you're interested - 25X1
- Ask me about [redacted] session w/ DCI on magnify, "legislative strategy session personnel moves" 25X1
OK - what?
